Abhijeet Vilayate

Full-Stack Developer | Java | Spring Boot | REST APIs | MongoDB | React.js | AI/ML

Pune, MH, India | 7350882557 | vilayateabhijeet1073@gmail.com | LinkedIn: Abhijeet Vilayate

PROFESSIONAL SUMMARY

Recent Chemical Engineering graduate and Full Stack Developer with hands-on experience in Java, Spring Boot, React.js, REST APIs, and MongoDB. Built full-stack projects including an ERP College Management System and Gulf Hiring Agency Platform, with skills in AI/ML, AI APIs, automation, and AI-assisted development.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, HTML5, CSS3

Backend Development: Java, Spring Boot, REST APIs, RESTful Web Services, CRUD Operations, Backend Development, Object-Oriented Programming

Frontend Development: React.js, JavaScript, HTML5, CSS3

Databases: MongoDB, Database Management, Data Modeling, CRUD Operations

Development Tools: Git, GitHub, VS Code

Software Engineering: MVC Architecture, Debugging, Exception Handling, API Testing, Problem Solving

Currently Learning: PostgreSQL, MySQL, Docker, Cloud Platforms, CI/CD, Distributed Systems, AI APIs, AI-assisted Development

PROJECTS

ERP College Management System | *Java Servlets* | *React.js* | *REST APIs* | *Oracle SQL* | *LINK: https://manpower-frontend.onrender.com/*

- Built a full-stack educational management platform using Java Servlets, React 19, and Oracle Database.
- Implemented Role-Based Access Control (RBAC) across 8 distinct user roles secured with BCrypt password hashing and PL/SQL verification procedures.
- Designed modular REST endpoints using JDBC API and DAO architecture to execute CRUD operations for department, attendance, course, and user management.
- Developed responsive single-page application (SPA) frontends using React Router DOM, Axios, and Bootstrap 5.

Gulf Countries Hiring Agency Website *Java* | *Spring Boot* | *React* | *REST APIs* | *MongoDB* | *Tailwind CSS* | *LINK: https://college-erp-frontend-sace.onrender.com/*

- Built Spring Boot REST APIs with DTO validation, controller-service-repository layering, CORS integration, and Spring Mail notification service.
- Constructed a modern React 18 SPA featuring modular components, custom modals, responsive industry/service cards, and stateful API handlers via Axios.
- Formatted persistence layer with Spring Data JPA/MongoDB, and incorporated native .xlsx report rendering via Apache POI OOXML.

Personal Portfolio Website | *React.js* | *JavaScript (ES6+)* | *Bootstrap 5* | *CSS3* | *HTML5* |

- Designed and deployed a modern developer portfolio application built with React and Vite, featuring component-driven modularity and interactive filtering.
- Crafted responsive layouts using CSS flexbox/grid and Bootstrap 5, ensuring cross-browser compatibility and optimized mobile responsiveness.

EDUCATION

- **Bachelor of Engineering in Chemical Engineering**
  AISSMS College of Engineering Pune (SPPU) | Pune, India | 2026
- **Higher Secondary Education**
  R.R. Shinde Junior College Pune (Maharashtra Board) | Pune, India | 2021

CERTIFICATIONS

- Full Stack Development in Artificial Intelligence and Machine Learning – Seed Infotech Ltd
